INNOVATE Reconciliation Action Plan

Skillinvest Limited Reconciliation Action Plan for the Years 2015-17

The Reconciliation Action Plan covers Skillinvest and its departments, including Longerenong College.

Skillinvest is committed to improve workplace diversity and equity and to achieve equal representation of women and men across the workplace. The organisation undertakes and is committed to establishing proactive strategies and targets to achieve diversity and equity in the workplace.

Definition

The Skillinvest Reconciliation Action Plan (RAP) is about creating respectful relationships between Aboriginal and Torres Strait Islander peoples and our organisation. It formalises Skillinvest's contribution by identifying actions, timelines, responsibilities and targets in three areas – relationships, respect and opportunities. The RAP has been developed by a staff working group including Aboriginal and Torres Strait Islander membership and collaboration.

The Skillinvest RAP will be reviewed and reported on annually to Reconciliation Australia.

Scope of Operation

Our vision for reconciliation

Skillinvest has respect in recognising equality and diversity for Aboriginal and Torres Strait Islander peoples and the community as a whole. We will act with integrity and compassion and work collaboratively with Aboriginal and Torres Strait Islander peoples while searching for better ways to achieve equality particularly through education, training and employment opportunities. We will work with Aboriginal and Torres Strait Islander peoples and communities to provide awareness of Aboriginal and Torres Strait Islander peoples, histories, cultures and achievements in all communities in which we work.

Our business

Skillinvest is a leading provider of employment and training services across Victoria. Our key delivery areas are apprenticeships and traineeships through the group training model, accredited training in many trade and community service areas and agricultural training through Longerenong College. The organisation also delivers many specialist programs in employment and training for specific regions or target groups.

A commitment to quality and governance across all facets of our business is critical to the development and growth of a strong sustainable business. Strong community partnerships and networks are important to Skillinvest to reach goals with all the communities we operate. Skillinvest currently employs approximately 130 staff and over 500 apprentices and trainees through the group training model. Currently there are no Aboriginal and Torres Strait Islander people employed on staff with 11 Aboriginal and Torres Strait Islander apprentices/trainees employed.

Our RAP

The development of the Skillinvest RAP commenced in 2014 when the organisation decided to update its internal Aboriginal Employment Policy and it was suggested by an external body that the organisation would be more effective in developing a RAP. Once the organisation investigated the RAP it was decided this was the appropriate way for us to go forward.

The internal team representing various parts of the business is led by the CEO with a committee including Aboriginal and Torres Strait Islander peoples from Goolum Goolum Aboriginal Co-Operative, Barenji Gadjin Land Council and the Wurega community from the Wimmera region in Victoria.
