

## 1. ENROLMENT FEES AND CHARGES

The enrolment fees and charges outlined in the *Fees and Charges Table* attached are for individuals enrolling into accredited training at Skillinvest Limited (Skillinvest) from 1 January 2017. All students will be charged the relevant **Tuition Fee** for enrolment in each program. For some programs a **Materials Fee** and/or a **Student Services and Amenities (SSA) Fee** is also applicable. Where a range in fees is listed, it indicates that the fees for the course will vary depending on the units selected. Please contact our office for exact fees and charges applicable to training suitable to your circumstances and needs. The student tuition fees as published are subject to change given individual circumstances at enrolment.

### 1.1 TUITION FEE

Tuition Fees as published are subject to change given individual circumstances at enrolment. For each enrolment, the tuition fee will be calculated based on the scheduled number of nominal hours of training a person enrolls in at that time: *(i.e. Number of Nominal Hours to be undertaken x \$ amount per hour = \$ Tuition Fee to be charged)*.

Students can choose to pay the full amount of their course upon enrolment or, if a course is undertaken partly in 2017 and partly in a second or subsequent calendar year/s, Tuition Fees may be invoiced according to the rate of fees applicable when the training is to be undertaken *(i.e. Tuition Fees may be charged at the commencement of each year for the scheduled number of hours to be undertaken in that year)*.

#### **VTG Funded Tuition Fee**

Individuals eligible under the State Government's Victorian Training Guarantee (VTG) program are required to pay either the VTG Funded Tuition Fee as shown in column (2) of the *Fees and Charges Table*, or if applicable, the Concession Tuition Fee as shown in column (1) of the *Fees and Charges Table*. The Government Contribution to Training (applicable to VTG students) in column (3) of the *Fees and Charges Table* shows the approximate value of the contribution from government towards the qualification for individuals eligible for VTG funding.

#### **Full Tuition Fee**

Individuals who are not eligible under the VTG program are required to pay the Full Tuition Fee as shown in column (4) of the *Fees and Charges Table*.

#### **Concession Tuition Fee**

For enrolments in courses at Certificate IV level and below, the Concession Tuition Fee will apply for individuals who are eligible for government funding and prior to the commencement of training, produce a current and valid:

- Commonwealth Health Care Card *(or a dependant spouse or dependant child of a cardholder)*; or
- Pensioner Concession Card *(or a dependant spouse or dependant child of a cardholder)*; or
- Veteran's Gold Card; or
- an alternative card or concession eligibility criterion approved by the Minister for the purposes of the Victorian Training Guarantee 2017 Guidelines about Fees.

The Concession Tuition Fee will be at 20% of the VTG Funded Tuition Fee. To be eligible for a Concession Fee in second or subsequent years, individuals must show evidence of their concession eligibility prior to commencing training that year.

#### **Recognition of Prior Learning (RPL) Tuition Fees**

Skillinvest will apply a charge for any assessment conducted as RPL only if the assessment is conducted at the request, or with the consent of the student. The Tuition Fee for RPL is calculated at 70% of the Full Tuition Fee rate.

## **1.2 MATERIALS FEE**

In addition to the Tuition Fee a Materials Fee will also apply and be charged to the student during the enrolment period as shown in column (5) of the *Fees and Charges Table*. These fees are for payment of all required learning and assessment materials. The Materials Fee charged will vary depending on the course and the units to be undertaken. Detailed information will be provided to students prior to enrolment.

## **1.3 STUDENT SERVICES AND AMENITIES (SSA) FEE**

For students undertaking study at the Longerenong College campus, a Student Services and Amenities Fee may apply as shown in column (6) of the *Fees and Charges Table*.

## **1.4 ADDITIONAL FEES**

Additional fees may apply resulting from any variation to the original training program i.e. unit substitution, Ministerial Directives for VTG funded students.

### ***Re-assessment***

In the event that a student is deemed not-yet competent at the completion of the program, options and fees for completing training and assessment or re-enrolment can be discussed with Skillinvest.

### ***Replacement of Testamur/Statement of Attainment***

Issuance of a replacement Testamur at the request of the student may incur an administrative fee of \$75 (per qualification). If charged, this fee must be paid prior to the issuance of the Testamur. Students can request a Record of Results at any time without charge.

## **2. PAYMENT OF FEES**

Refer to Tax Invoice issued by Skillinvest for payment details. All fees are payable within 14 days of receipt of invoice.

Student Fee Payment Plans (for tuition fees only) may be available to students where tuition fees are equal to or above \$500.00. For further information, or to apply for a direct debit agreement, please contact Skillinvest.

### **2.1 FAILURE TO PAY FEES**

Training may be suspended if fees are not paid by the due date indicated on the invoice. Alternative payment arrangements may only be approved by the Skillinvest RTO Manager. Testamurs/Statement of Results will not be issued, and students will not be permitted to re-enrol or enrol in another qualification until all outstanding amounts including fees, charges and fines have been paid.

### **3. REFUND OF FEES**

Refunds of Tuition Fees paid may apply in some instances. To be eligible for a refund of Tuition Fees, students must officially withdraw from their course in writing and complete an "Enrolment Details Variation Form" available from Skillinvest. All refunds must be approved by a Skillinvest RTO Manager. Approved refunds will be processed within 4 weeks of receipt of official withdrawal.

#### **3.1 STUDENT WITHDRAWAL**

##### ***VTG Funded Tuition Fee and Fee For Service Students***

- Where a student withdraws from a course in writing within four (4) weeks of the commencement date, all tuition fees paid will be refunded minus a minimum maintenance fee (refer below) and a cost recovery fee for books/materials if applicable.
- Where a student withdraws from a course after four (4) weeks of the commencement date, there will be no refund of student tuition fees paid. Materials fees paid may be refunded on a cost recovery basis.
- The minimum maintenance fee is \$200.00, or in the case of concession card holders the amount of tuition fee paid up to a maximum of \$200.00.

#### **3.2 WITHDRAWAL BY SKILLINVEST**

##### ***Course Cancellation***

In the unlikely event of Skillinvest's cancellation of a course, Tuition Fees paid will be refunded in full or pro-rata, depending on the training period completed. Materials fees paid will be refunded on a cost recovery basis.

##### ***Tuition Assurance Scheme (TAS)***

Skillinvest will maintain a Tuition Assurance Scheme (TAS) to safeguard students in the event of it becoming insolvent and unable to return Tuition Fees that have been paid in advance. The TAS will source and pay for similar training to allow the affected participants under this condition to complete their studies without having to make further Tuition Fee payments. However if the student cannot be placed, the TAS will make refunds.
