

## Young Parents Education Program

**Are you a parent and aged 15-20? Not currently enrolled at school? Have you considered VCAL (Victorian Certificate of Applied Learning)?**

We offer a Young Parents Education Program which reconnects young parents to access the VCAL in a supportive and flexible environment.

A holistic approach means babies are in class with their parents whilst studying VCAL and learning great parenting tips from experts within the community.

- Obtain direct experience in business & industry, developing skills & attitudes required in the work-place

- Develop Literacy & Numeracy skills
- Complete a nationally accredited course in Business Administration, Hairdressing, Retail and a number of other VET options
- Complete VCAL and achieve a pathway to an apprenticeship, traineeship, employment or further studies
