2026 Indicative Fees & Charges

Enrolment Fees and Charges

The enrolment fees and charges listed in the Fees and Charges table apply to Prospective Students enrolling in training programs with Skillinvest Ltd from 1 January 2023 under the Skilling South Australia Program. Access to government-subsidised training through the Skilling South Australia Program is determined during the pre-enrolment process, subject to students meeting the participant eligibility criteria. Where students are not eligible for government-subsidised training, Fee-for-Service costs will apply. All students are required to pay the relevant tuition fee for each training program. In addition, some programs may incur a Materials Fee and/or Incidental fee.

Tuition Fees as published are subject to change given individual circumstances at enrolment. For each training program, the tuition fee will be calculated based on the scheduled number of hours (SCH) and applicable tuition fee plus any materials or incidental Fee: (e.g. Scheduled Hours (SCH) x \$ tuition fee per hour + materials or incidental fee (if applicable) = \$ Total Tuition Fee to be charged). As part of the enrolment process, you will be provided with a Statement of Fees outlining all applicable fees to your training program. Payment plans are available (terms and conditions apply). Please refer to our Fees and Refund Policy as published on our website.

Concessions are available where students meet the eligibility criteria under government funded courses for enrolments in training programs, at the commencement of training (a grace period of 90 days applies). Prospective Students must produce a current and valid:

- Health Care Card; *or*
- Pensioner Concession Card; *or*
- Veteran Affairs Concession Card

If a prospective student is a Prisoner, they will also be offered the Concession Fee.

Skillinvest must retain a copy of any concession cards as *Evidence of Concession* as required under the Funded Activities Agreement. No concession is available for fee-for-service students.

Skillinvest will not charge a tuition fee to an Eligible Individual who is:

- Over the age of 16 and who is, or has been, under the Guardianship of the Minister for Education (or interstate equivalent) on any guardianship order.

Please visit skills.sa.gov.au to see if you are eligible for government-subsidised training.

Payment of Fees

Once a prospective Student has enrolled into a Training Program, they are provided with a Statement of Fees and will be issued with an invoice that must be paid within 14 days unless an approved payment plan arrangement has been put in place. If a Student is experiencing financial hardship, a reduced minimum repayment can be requested by emailing accounts@skillinvest.com.au. Approval will be determined by the General Manager Training.

Skillinvest will apply a charge for any assessment conducted as RPL only if the assessment is conducted at the request, or with the consent of the student. The Tuition Fee for RPL is calculated at 70% of the applicable Tuition Fee rate.

Additional fees may apply resulting from any variation to the original training program (i.e. unit substitution, Skilling South Australia Program updates or Ministerial Directives).

Incidental Fees

Students may only be charged for Incidental Fees for equipment or items that become the physical property of the participant and that are not consumed during the course, or for food, transport and accommodation costs associated with the provision of field trips that form part of the course. Any Incidental Fees are outlined on the Fees and Charges table.

Re-assessment

In the event that a student is deemed not satisfactory in one or more Assessment Tasks at the completion of their training program, options and fees for completing training and assessment or re-enrolment can be discussed with Skillinvest. A re-assessment fee of \$200 will be charged with the re-enrolment for each unit of competency.

Replacement of Testamur/Statement of Attainment

Issuance of a replacement Testamur at the request of the student may incur an administrative fee of \$75 (per qualification). If charged, this fee must be paid prior to the issuance of the Testamur. Students can request an Academic Progress Report at any time without charge.

Refunds

Refunds of Tuition Fees paid may apply in some instances. To be eligible for a refund (or partial refund), students must formally withdraw from their training program via the 'Student Withdrawal Form' being completed by the Student or Trainer and Assessor. This form is available on the Skillinvest website following this link <https://www.skillinvest.com.au/training-education/training-policies-resources>

Skillinvest ensure refunds are processed for students/employers in line with the Refund Policy. Students who may not be eligible for a refund in line with the refund policy can request a refund by contacting Skillinvest and the request will be carefully considered by the General Manager Training or nominated delegate. All Students have the right to take further action under Australia's consumer protection laws if you are not satisfied with the refund outcome.
