Enrolment Fees and Charges

The enrolment fees and charges listed in the Fees and Charges table apply to Prospective Students enrolling in training programs with Skillinvest Ltd from 1 January 2024 under the Apprentice and Trainee Training Fund (ATTF) Grant in Tasmania. Access to government-subsidised training through the Apprentice and Trainee Training Fund (ATTF) Grant is determined during the pre-enrolment process, subject to students meeting the eligibility criteria. Where students are not eligible for government-subsidised training, Fee-for-Service costs will apply. All students are required to pay the relevant tuition fee for each training program. In addition, some programs may incur a Materials Fee and/or Incidental fee.

Tuition Fees as published are subject to change given individual circumstances at enrolment. For each training program, the tuition fee will be calculated based on the scheduled number of hours (SCH) and applicable Tuition Fee plus any materials fee e.g. $SCH \times \$ \text{Tuition Fee per hour} + \text{Materials Fee} = \$ \text{Total Tuition Fee to be charged}$. As part of the enrolment process, you will be provided with a Statement of Fees outlining all applicable fees to your training program. Payment plans are available (terms and conditions apply). Please refer to our RTO Fees and Refund Policy as published on our website.
